The Meeting was called to order by the Chairman at around 9:45 am/pm to take up matters relative to the repair and maintenance of CIII Clinical Chemistry Analyzer as requested by Laboratory Division, City Health Office, Batangas City submitted to them for consideration and resolution, to wit:

QTY	UNIT	DESCRIPTION	UNIT COST	TOTAL
		Repair & Maintenance of CIII Clinical Chemistry Analyzer Service and Labor Charge		P 5,600.00

In the grand total amount of **P 5,600.00**.

As per documents submitted, it clearly showed that ROCHE (PHILIPPINES), INC. with business address located at GF & 16F, One World Place, 32nd St., Bonifacio Global City, Taguig City, Metro Manila, is the EXCLUSIVE DISTRIBUTOR/IMPORTER for the sale and marketing of the above diagnostic products including after sales services, hence, all products are directly purchased from the above-mentioned company, using the Alternative Mode of Procurement-Direct Contracting under Section 50 of RA 9184 Law.

Considering that the price offered by ROCHE (PHILIPPINES) INC. is fair and reasonable and if accepted would be advantageous to the city government, aside from the fact that there are no other distributor(s) or sub-dealer(s) in the locality of the above described diagnostic products who is offering and/or selling the same at a much lower price and no suitable substitute of substantially the same or equal quality is available at a lower price, the Committee decided to pass the following:

"RESOLUTION NO. 2022-307

Now, Therefore, Resolved, as it is Hereby Resolved, to Recommend for the Approval of the Award and to Accept the offer of ROCHE (PHILIPPINES) INC. for the repair and maintenance of CIII Clinical Chemistry Analyzer as requested by Laboratory Division, City Health Office, Batangas City in the grand total amount of P5,600.00

Approved Unanimously."

The Meeting adjourned at exactly 6:45 am/pm.
